

## Contrasting Colors

- ① Suzuki Kiitsu used shades of blue and brown in this painting. How do complementary colors or similar colors influence a painting?
- ② Consult the complementary color wheel to choose your own colors to fill in the black and white outline of Kiitsu's painting on the next page. Try coloring the painting with complementary colors, then with all cool or all warm colors. Why do you think Kiitsu chose blue and brown?
- ③ What mood do you want *your* painting to convey? Is it the moon or the sun? Is it rising or setting? Are the waves peaceful or raging? [Watch this video](#) to see real waves in motion.
