

## Finger Paint Like a Pro

- ① The artist who created this work, Ike no Taiga, was a famous Edo-period painter who deliberately used his fingers to paint this scene. Why do you think the artist painted with his fingers?
- ② When was the last time you finger painted? A second-grader finger painted the happy puppy on the left. Can you create a fingerpainting of your environment?
- ③ The artist used a different technique to paint the clouds. Can you paint clouds using the [tarashikomi](#) technique?
