

# A World of Plants

- ① Many Edo folding screens depict plants as they appear in all four seasons. How does nature change throughout the year where you live? What are the most visible changes? The colors? The wildlife? Draw or paint a picture of nature in your favorite season.
- ② [Watch this video](#) of *Flowers and Trees of the Four Seasons*, painted by Watanabe Shikō, and carefully examine the wide variety of plants. How many types of flowers and plants can you identify? Do any of them grow in your area?
- ③ *The Encyclopedia of Flowers* by Mary Moody is one resource to help you identify flowers.
